

A collection of high-quality PVCu doors
individually designed and crafted for your home.

The PVCu Collection

Styles for all.

Loving what we do.

Virtuoso Doors was founded in 1981, with an ambition to always make the finest doors in the industry. Today, as the team continues to grow, we have built the business to make Virtuoso Doors Britain's favourite door manufacturer.

Our state-of-the-art manufacturing facility in Gateshead has the capacity, innovation and expert teams to ensure we continue to provide the finest selection of residential doors on the market. Our sales support, technical advice and guidance and on-going customer care from order placement to delivery means that we are a partner that you can trust.

Open up to a superb range of Virtuoso PVCu door panel options, constructed from state-of-the-art materials, designed to suit every type of door style; from traditional to modern.

Combining the perfect mix of cutting-edge precision engineering and the highest quality PVCu, each door panel is made with incredible accuracy and unrivalled quality.

Complete with a diverse collection of glazing and accessory options, our PVCu panel options give you access to stylish door designs that will enhance the appearance of your customer's home for years to come.

Panel Styles

Introducing our collection of high quality PVCu doors, individually created to complement any home.

From traditional to modern, we have a door panel to fit right in, with styles to suit every type of property.

The perfect combination of cutting-edge precision engineering, the highest quality PVCu and our expertise means that Virtuoso PVCu door panels have incredible accuracy, stunning detailing and provide unrivalled quality.

And they'll look sensational too for years to come, with only the minimum of maintenance.

Manufactured using state of the art techniques and materials, our doors have outstanding acoustic and thermal qualities and built-in security features for complete peace of mind.

Each door within the collection is custom built with a choice of glazing options. Browse through the following pages and discover the combinations possible with our unrivalled collection of decorative, coloured, bevel, Georgian bar, classic lead, sandblasted (etched) and resin bevel designs.

Due to the nature of our products and the limitations of the printing process, no liability can be accepted for the accuracy of the colours or designs depicted, which are intended for guidance only.

Each door panel carries its own "U value". For further information, please refer to the Virtuoso Doors technical information.

Two Brand NEW Panel Designs

Introducing our two new panels – sleek, sophisticated, and perfectly contemporary. They feature a modernized central panel with a stylish horizontal centrepiece, bringing a fresh and up-to-date aesthetic to your space.

Colours

Laminated Colour Options

The 'Superior' colour range is a unique and exclusive collection of weatherable, durable and scratch resistant foiled PVC coloured options. The coloured foils are laminated onto the PVC substrate during the extrusion process and produce a permanent bond between the substrate and decorative foil.

Rosewood

Sherwood Oak

Irish Oak

Black-Brown

Anthracite

Chartwell

Colour Match

All our pannelled doors can be painted with any RAL colour in our state-of-the-art paint department. Please specify the colour name and RAL code when ordering.

■ Colours are as accurate as the printing process allows. Other laminated foil colours available on request.
NB. It is highly recommended that laminated woodgrain products should not be installed in south-facing locations.

Glass Collection

Lead & Film

This hand-applied technique replicates the look of stained glass windows.

Glass Bevels

A combination of hand-crafted glass bevels and lead added to a backing glass of your choice.

Etched Glass

Beautiful designs using the latest technology to reproduce what would have originally been manufactured using a sandblasting process.

Resin Bevels

We use the latest technology to create complex and delicate designs exclusive to this process.

Glazing Bar

This process incorporates PVC or aluminium bars encapsulated within the double glazed unit ensuring ease of cleaning.

Glass Tiles

These designs incorporate kiln fused glass tiles or sparkling bevels on a sandblasted pane.

Triple Glazed

Hand-assembled triple glazed units provide superior heat and sound insulation for your door.

Lead Finishes

Full design and reproduction service available, prices on request. N.B. GGF guidelines apply.

Lead is a natural product which when exposed to the environment will undergo certain atmospheric transformations. This is perfectly natural and will eventually settle down to take on a natural weathered lead appearance.
